TEMA: PASADO SIMPLE

Hasta el momento veníamos repasando el tiempo **presente simple** y lo relacionábamos principalmente con verbos de rutina (get up, go to school, have lunch, have a shower, etc)

Habíamos visto que para hacer preguntas o negaciones necesitábamos de los auxiliares **do** y **does (don't- doesn't)** según el pronombre de la oración. Pero cuando se trataba del verbo "**to be**" (que en presente se conjuga am- is- are) no se utilizaban los mencionados auxiliares.

Por ejemplo:

Verb "to be"

Are you from Viale?

Is your mother 40 years old?

My sister **isn't** a teacher

The boys **aren't** in class now

Otros verbos

Do you live in Viale?-

I **don't** like football-

Does she play volleyball?

He **doesn't** have lunch at work-

We **don't** go to school in the morning

Does Peter play the guitar?

Para comenzar a trabajar con el tiempo **pasado simple**, por el momento sólo nos vamos a focalizar en el verbo "to be". Es decir, en un solo verbo.

Sólo hay dos conjugaciones de éste verbo en Pasado Simple: **was** y **were**

A continuación está la sistematización para su uso con los pronombres correspondientes, su forma afirmativa, negativa e interrogativa.
